Dear Mr. Lekas:

Re: 1986 Annual Report Seep Ridge Project, ACT/047/002,
Uintah County, Utah, MR-9 Form, ~~ACT/047/020~~, Wolf Den Project

Enclosed please find the annual report form for the Seep Ridge Project that must be completed and returned to the Division by March 31, 1987. This report details the mining and reclamation activities during 1986 and should include an updated map of the operation.

As of this date we have not received a completed MR-9 form for the drill holes at the Wolf Den Site. Once we receive this information and inspect the site, we will retire our files on the Wolf Den Project.

If you should have any questions, or need additional information, please call me or Frank Filas of my staff.

Sincerely,

Lowell P. Braxton
Administrator
Mineral Resource Development
and Reclamation Program
